*"Last Best Small Town"*

The City of Fillmore, "The Last Best Small Town," is nestled at the base of the Sespe Wildlife Area, bounded on the west by the Sespe Creek, and the Santa Clara River on the south. With a rich agricultural history grounded in citrus and supported by rail lines, Fillmore has grown into a community of nearly 15,000 citizens who deeply appreciate the town's heritage and tight-knit family spirit. The downtown Central Business District and surrounding neighborhoods are dotted with county landmarks and quaint architecture, which give Fillmore unique qualities that few towns can claim. The following information offers an overview of Fillmore's demographics and governmental structure.
