

CITY OF FILLMORE CALIFORNIA

How to get started? It's easy to recycle at your business.

- Make sure your business has arranged for recycling services (see below for more information).
- Use the list on the other side of this flyer to help employees learn what items can be recycled.
- Separate recyclable items from trash inside your business.
- Place your recyclable items in external recycling containers for collection.

Note: Any business or individual may donate, sell and/or otherwise arrange for the pickup of recyclable materials.

Where to go for more information?

Why Recycle?

- The City of Fillmore requires resource recovery and recycling for every parcel within the City.
- Recycling may provide opportunities for your business to save money.
- Recycling helps conserve resources and extends the life of California's landfills. It also helps create a healthy environment for our community and future generations.

For additional general information about recycling and waste reduction, visit the webpages for California Department of Resources Recycling and Recovery (CalRecycle) at www.calrecycle.ca.gov.

Types of Material to Recycle

Types of Material NOT to Place in Trash or Recycle Bin

- Hazardous Waste
