

## FILLMORE FIRE DEPARTMENT RECRUITMENT (Continuous)

### Firefighter Recruit

Volunteer firefighters work two 24-hour shifts per month, or four 12-hour shifts, and work under the direction of the on duty Captain.

During medical emergencies firefighters may assist by performing such tasks as: taking vital signs, assisting with CPR, giving the patient oxygen, etc. Other duties include Assisting with fire ground operations, cleaning and maintaining the station and equipment, participate in training drills, work alongside of full-time personnel with fire inspections, help with fire education and station tours, and any special project or studies they wish to accomplish during down-time.

### Minimum Requirements:

- At least eighteen years of age at the time of filing the application.
- In excellent physical condition with vision corrected to at least 20/30.
- Possess a current, valid Class C California Drivers License.
- Possess Emergency Medical Technician certification in Ventura County, LA County, Santa Barbara County, Kern County, or possess a valid National Registry certification or able to acquire during first year of duty.
- Ability to successfully pass live scan background check and drug test.

### Recommended:

- Completion of California State Fire Marshall Fire Academy Completion & Firefighter I
- Rescue Systems I
- Class B Drivers license
- ICS 100 & ICS 200
- Current CPAT Certification

### Firefighter Paramedic

Fillmore Fire Department provides you with the latest equipment and endless training opportunities when you sign on as a volunteer firefighter/paramedic. Fillmore Fire Department is continuously seeking Ventura County Level I and Level II Paramedics. Firefighter/Paramedics are required to complete 2-24 hour shifts per month.

### Minimum Requirements:
